

3D XPD[®]
by Siser[®]

- Three dimensional effect
- Expands **5x** its original size
- Excellent solution for a top layer on multi-layer designs
- Easy to cut, weed and heat apply

Add dimension and texture to any graphic design with 3D Xpand™. When heat applied, 3D Xpand™ puffs up to create a unique bubbly texture to letters and shapes. Create authentic appliqué looks without using embroidery. Great for retro vintage looks.

Try it for numbering baseball, soccer, or basketball uniforms or on novelty or fashion shirts. Create special effects for a design with a snowman, clouds, or bubbling froth on top of a beverage. Ideal for mixed media such as appliqué or screen printing.
